

BALE OUT

Horsey types will love DesRes' straw bale collection. Wipe-clean pouffes, benches and pillows are filled with treated straw and bridled with soft saddle leather or nubuck. Completely unique, a little bit bonkers but surprisingly practical; there are pockets for magazines and iPads, straps for blanket rolls and bits and D rings to attach your keys to. Cushions from £70, pouffes from £270, benches from £599. desresdesign.co.uk
